- **24 ottobre 2019** **Prof. Eugenio Coccia**
Gran Sasso Science Institute, INFN, e Università di Roma "Tor Vergata"
"Exploring the Universe with gravitational waves"
- **28 novembre 2019** **Prof. Tommaso Calarco**
Inst. Theoretical Physics, University of Cologne & Inst. for Quantum Control of
the Peter Grünberg Institute, Jülich – Germany
"The world's fattest Schrödinger cat"
- **19 dicembre 2019** **Prof. Carlo Barbante**
Università Ca' Foscari, Venezia e Accademia Nazionale dei Lincei
**"Too late for 2°C? From Paris agreement to the climate of
tomorrow"**
- **23 gennaio 2020** **Prof. Francis Halzen**
Wisconsin IceCube Particle Astrophysics Center and Dep. of Physics,
University of Wisconsin–Madison – U.S.A.
"Opening a New Window on the Universe from the South Pole"
- **20 febbraio 2020** **Prof. Riccardo Zecchina**
Università Bocconi, Milano
"The out-of-equilibrium physics of deep learning"
- **19 marzo 2020** **Prof. Sergio Ferrara**
University of California, Los Angeles – U.S.A. & CERN
"Supergravity" Cancellato
Cancelled
- **23 aprile 2020** **Prof. Davide Cassi & Chef Massimilano Alajmo**
Università di Parma Ristorante "Le Calandre"
"Gastro-fisica" Rinviato al prossimo Ciclo A.A. 2020-21
Postponed to the next Cycle A.Y. 2020-21
- **21 maggio 2020** **Prof. Clemens Bechinger**
University of Konstanz, Germany
**"Collective behavior of active colloidal particles with
social interactions"** Cancellato
Cancelled
- **11 giugno 2020** **Prof. Dmitri Budker**
University of California, Berkeley, U.S.A.
"Exploring fundamental physics with table top experiments" Cancellato
Cancelled
